### Report content:

ELEKTROTIM S.A. based in Wrocław (hereinafter referred to as the Company) informs that on October 21, 2024, it received an order from Mercedes-Benz Manufacturing Poland Sp. z o.o. based in Jawor. The subject of the order is the implementation by the Company of a high/medium voltage electrical station along with a 110 kV power line (Package F) as part of the investment 'Construction of the Mercedes-Benz VANS car factory in Jawor.'

The gross value of the order is PLN 61,854,240.00 (in words: sixty-one million eight hundred fifty-four thousand two hundred forty zlotys); the net value is PLN 50,288,000.00 (in words: fifty million two hundred eighty-eight thousand zlotys).

The contract will be executed over an approximately two-year period.

The remaining contractual terms do not deviate from market standards.

The Company discloses the fact of receiving the order considering the building of ELEKTROTIM S.A.'s order portfolio, risk assessment, and due to its significance for the Company's future revenues.
