Report content:

ELEKTROTIM S.A., headquartered in Wrocław (the Company, Contractor), announces that on May 13, 2025, it concluded a contract with Polonez Plus Sp. z o.o., headquartered in Warsaw (the Ordering Party). The subject of the contract is the execution of construction works in the electrical sector as part of the investment project titled "Construction of a power building with MEP equipment – Package D of the Shuri project." The investor of the project is Mercedes-Benz Manufacturing Poland Sp. z o.o., headquartered in Jawor.

The remuneration for the execution of the subject of the Contract amounts to PLN 23,900,000.00 net (in words: twenty-three million nine hundred thousand zlotys), and PLN 29,397,000.00 gross (in words: twenty-nine million three hundred ninety-seven thousand zlotys). According to the Company's knowledge, the scope and price are expected to increase upon issuance of the final design documentation.

The deadline for completion of the works has been set for November 2026.

The Contractor grants the Ordering Party a quality guarantee for the construction works for a period of 60 months.

The remaining contractual terms do not differ from market standards.

The Company is disclosing the conclusion of the contract in view of building the order portfolio of ELEKTROTIM S.A., risk assessment, and its significance for the Company's future revenues.
