Report content:

ELEKTROTIM S.A., headquartered in Wrocław (hereinafter: the Company), informs that on July 28, 2025, it received information about the selection of ELEKTROTIM S.A.'s offer as the most advantageous in the procedure for awarding a strategic contract titled "Design and construction of a 110/15kV power substation along with supply lines," conducted by Polskie Elektrownie Jądrowe Sp. z o.o., headquartered in Warsaw (the Contracting Authority).

The value of the offer submitted by ELEKTROTIM S.A., selected as the most advantageous, amounts to PLN 161,849,999.98 net (in words: one hundred sixty-one million eight hundred forty-nine thousand nine hundred ninety-nine zlotys and 98/100), i.e. PLN 199,075,499.98 gross (in words: one hundred ninety-nine million seventy-five thousand four hundred ninety-nine zlotys and 98/100).

The offer consists of a basic scope amounting to PLN 9.8 million net (design) and an optional scope (options 1–5) with a total value of PLN 152.05 million net (construction). The Contracting Authority has the right to exercise the option right until October 15, 2025 (options 1, 2, and 3; total value PLN 148.7 million net) and until January 30, 2026 (options 4 and 5; total value PLN 3.4 million net).

The next stage is the conclusion of the contract, which the Company will announce in a separate report. The Company emphasizes that the selection of the offer is not equivalent to the conclusion of a contract.

This is the first contract for ELEKTROTIM S.A. related to the construction of energy infrastructure for nuclear power in Poland.

The Company is disclosing the receipt of the notification to the public in view of building its order portfolio for the coming years, risk assessment, and due to its significance for the Company's future revenues.
