Report content:

ELEKTROTIM S.A. with its registered office in Wrocław (hereinafter: the Company) informs that on 12 November 2025 it received a notification regarding the selection of the offer submitted by ELEKTROTIM S.A. as the most advantageous one in the tender procedure conducted by the Cyberspace Resources Centre of the Armed Forces named after Marian Rejewski, with its registered office in Warsaw (the Contracting Authority), for the execution of the task entitled "Construction of towers for coastal surface and low-flying target observation radars—preparation of design documentation together with the execution of construction works."

The procedure is conducted pursuant to the provisions of the Public Procurement Law Act of 11 September 2019, under a restricted tender procedure in the field of defense and security.

The value of the offer submitted by ELEKTROTIM S.A. amounts to PLN 25,810,265.62 net (in words: twenty-five million eight hundred ten thousand two hundred sixty-five zlotys and 62/100), and PLN 31,746,626.71 gross (in words: thirty-one million seven hundred forty-six thousand six hundred twenty-six zlotys and 71/100).

The next stage of the procedure will be the conclusion of the contract, about which the Company will inform in a separate report.

The Company emphasizes that the selection of the offer is not equivalent to the conclusion of the contract.

The Company discloses the fact of receiving the notification to the public, taking into account the process of building ELEKTROTIM S.A.'s order portfolio for the coming years, risk assessment, and the significance of this project for the Company's future revenues.
