Legal basis Article 17(1) of MAR Regulation - inside information

Report content:

ELEKTROTIM S.A. with its registered office in Wrocław (hereinafter: the Company; the Contractor) announces that on 24 July 2026 it received information on the selection of ELEKTROTIM S.A.'s offer as the most advantageous in the procedure conducted by Polskie Sieci Elektroenergetyczne S.A. (hereinafter: the Contracting Authority) entitled "Extension of the 220 kV switchgear at the 220/110 kV Leśniów substation for the connection of the Niedźwiedź photovoltaic installation and external entities".

The value of the offer submitted by ELEKTROTIM S.A. for the performance of the subject matter of the contract, including the option right, is PLN 89,350,000.00 net (in words: eighty-nine million three hundred fifty thousand zlotys); PLN 109,900,500.00 gross (in words: one hundred nine million nine hundred thousand five hundred zlotys).

The procurement procedure is conducted pursuant to the provisions of the Act of 11 September 2019 - Public Procurement Law (PPL).

The next stage, in accordance with the PPL, will be the conclusion of the agreement, which the Company will announce in a separate current report. The Company emphasises that the selection of the offer is not equivalent to the conclusion of the agreement.

The Company is disclosing the fact of receipt of the notification to the public taking into account the development of ELEKTROTIM S.A.'s order portfolio for the coming years, risk assessment, and its significance for the Company's future revenues.
