Report content:

ELEKTROTIM S.A. with its registered office in Wrocław (hereinafter: the Company; the Contractor) hereby informs that on 13 August 2026 it received information on the selection of ELEKTROTIM S.A.'s offer as the most advantageous in the proceedings conducted by PGE Energetyka Kolejowa Operator Sp. z o.o. (hereinafter: the Client) entitled: "Construction of the 15 kV Traction Substation PT Radość along with technical infrastructure, 15 kV supply lines, supply cables, return cables and disconnector control cables, under the 'design and build' formula".

The value of the offer submitted by ELEKTROTIM S.A. is PLN 17,752,300.00 net (in words: seventeen million seven hundred fifty-two thousand three hundred 00/100 zlotys); PLN 21,835,329.00 gross (in words: twenty-one million eight hundred thirty-five thousand three hundred twenty-nine 00/100 zlotys).

The procurement procedure is conducted in accordance with the provisions of the Act of 11 September 2019 - Public Procurement Law (PZP).

The next stage, in accordance with the PZP, will be the conclusion of the agreement, of which the Company will inform in a separate report.

The Company emphasizes that the selection of the offer is not tantamount to the conclusion of the agreement. The Company discloses the fact of having received the notification to the public, taking into account the building of ELEKTROTIM S.A.'s order backlog for the coming years, risk assessment, and its significance for the Company's future revenues.
